

Good evening Clubs, Coaches, Members, Parents. It is with great pleasure that I would like to welcome everyone to the “*Namibia Swimming Federation’s AGM*”. A special welcome to the Namibian Sport’s Commission and Namibian National Olympic Committee.

As we all know, 2020/2021, has been a challenging year for everyone, with the Covid-19 pandemic continuing to affect most aspects of our lives.

Like many other sporting bodies across the world, Namibia Swimming Federation has continued to be affected by the pandemic. Despite these challenges, we have managed to complete most projects for the 2020-2021 season. I would like to highlight our accomplishments and the funding spent on our athletes, coaches, and federation.

<u>Nasfed 2020 / 2021</u>

Continental Athlete Support for 2021 - 2024 will be submitted by end September 2021			
Youth Athlete Development for 2021 - 2024 will be submitted by end September 2021.			
Commitment to participate in the Queens Baton Relay in December 2021.			

I would also like to state that we are all very proud of Philip Seidler's performance at the Tokyo Games and have received good feedback from the NNOC from our documentation to the overall all preparation and performance of the swimming team.

In conclusion, the 2020-2021 season was both challenging and exciting. Coaches and athletes alike, shared the disappointment of still not being able to train and compete at the maximum level. We would however like to take this opportunity to thank the NSC and NNOC for their continuous support. Our Federation has made it a point to attend all meetings to ensure we are continuously striving to reach their goals.

Our swimming federation continues to grow, and I wish to thank each member for their dedication to the sport. It takes a lot of planning and effort to ensure that our Federation is run successfully, and I would like to thank each Exco Team member for their work throughout these trying months. I appreciate your continuous support. Without your dedication we would not have been able to reach our goals while continuously growing the sport and enhancing the life of our swimmers.

Yours in swimming,

Aileen Botha
